SMALL ENTITY (37 CFR 1.28(C))**

Dear Sir:

1. Applicant has determined that a good faith error has occurred with the payment of fees as a small entity for U.S. Patent No. 6,267,002 and hereby takes steps under 37 CFR 1.28(c)(1 and 2) to have such error excused (*See* MPEP 509 and 37 CFR 1.28).
2. Applicant established status as a small entity in good faith and also paid fees (filing fees through issue fees) for a small entity in good faith for the above-referenced patent. Further, U.S. Patent No. 6,267,002 issued on July 31, 2001, and the first, second and third maintenance fees were paid.
3. It has now been established that such status as a small entity was established in error in good faith as follows:
 - ☐ Although Applicant is a small entity, the small entity statement was, through error and in good faith, not signed by all persons or entities having an interest
 - ☐ Although Applicant is a small entity, the small entity statement was, through error and in good faith, not signed by the proper authorized person
 - ☐ Applicant erroneously in good faith believed itself entitled to small entity status and has now discovered that this is not so

☒ Before the payment of the first maintenance fee listed below, a change occurred whereby small entity status could no longer be claimed for applicant and, through good faith error, the Office was notified

☐ Other: _____
